Students Reviews

Stephen Orimoloye
GIS Specialist at EPI Group, Canada
The quality of the course content provided by Intellipaat is, without question, the best I have come across. It meets industry standards and is excellent for teaching practical skills.

Ankit Kumar
Data Scientist at Xpress Minds Endutainment, India
The career services team helped me build my resume. After completing the course, I successfully got placed as an intern. The mock interviews helped me get rid of my nerves and instill confidence.

Ramessur Husanand
IT Specialist at Ministry of Education Taipei, Zhongzheng Dist.
If anything makes Intellipaat a great team, it is the trainers and the 24/7 support. I faced no trouble during the training and was quite impressed with the hassle-free support.
Know where our Alumni Works

Intellipaat has helped learners and professionals land big jobs with top salaries in some of the finest organizations around the world. In addition to helping build a rich resume, Intellipaat has also played a significant role in helping some of its learners to switch careers and transition to far more exciting professional roles and fields.
