Intellipaate Alumni Working in Top Companies

Robin Jack 

Mainframe Senior Developer at IBM

This software testing automation training is the most practical and easy way to learn Selenium covering all topics.

David Juvan 

Software Tester at Dell

I'm extremely impressed with this training session. Thanks to the instructor who was very patient in explaining all our doubts clearly. I was concerned initially if I have made a right choice in picking up a right institute. But now I will definitely recommend Intellipaate for training course

Niharika Mittal 

Blockchain Developer and Testing Enthusiast at IBM

This is a great way to learn Selenium automated testing. The best part is that the entire Selenium course is in line with the industry certification.

Frequently Asked Questions

Q 1. What is the criterion for availing the IntelliPaat job assistance program?

Ans. All IntelliPaat learners who have successfully completed the training post April 2017 are directly eligible for the IntelliPaat job assistance program.

Q 2. Which are the companies that I can get placed in?

Ans. We have exclusive tie-ups with MNCs like Ericsson, Cisco, Cognizant, Sony, Mu Sigma, Saint-Gobain, Standard Chartered, TCS, Genpact, Hexaware, and more. So you have the opportunity to get placed in these top global companies.

Q 3. Do I need to have prior industry experience for getting an interview call?

Ans. There is no need to have any prior industry experience for getting an interview call. In fact, the successful completion of the IntelliPaat certification training is equivalent to six months of industry experience. This is definitely an added advantage when you are attending an interview.

Q 4. If I don't get a job in the first attempt, can I get another chance?

Ans. Definitely, yes. Your resume will be in our database and we will circulate it to our MNC partners until you get a job. So there is no upper limit to the number of job interviews you can attend.

Q 5. Does IntelliPaat guarantee a job through its job assistance program?

Ans. IntelliPaat does not guarantee any job through the job assistance program. However, we will definitely offer you full assistance by circulating your resume among our affiliate partners.
